

Ramsbottom War Memorial Project

The recently formed Ramsbottom War Memorial Project Team is working to design and build a new war memorial in the memorial gardens on Bridge Street. As the existing memorial is not large enough for the engraving of names.

We have, so far, found over 500 service personnel from the old Urban District of Ramsbottom who gave their lives for their Country since the start of WW1 and our aim is to have the names of these fallen engraved on the memorial. This will be a lasting tribute which will recognise their sacrifice.

We are seeking Sponsors willing to help with the Project by donating £25 or more which will cover the cost of engraving one name on the memorial.

In return the Sponsor will receive a Sponsorship scroll and their name will be entered on our Sponsors Page on the website. The scroll can be laminated should the Sponsor so wish.

If you would like to Sponsor the Project please complete the return slip below.

Thank you for taking the time to read this information.

Visit our web site to view the names, and other information, found to date.
